My dear Brother

As I am to be deprived of
the pleasure of seeing you tomorrow I must
indulge myself by sending you a few lines to
express how much I lament your absence and
how sincerely I wish you many many happy
returns of a day so justly dear to us all. May
you my dearest Brother long enjoy every felicity
this world affords. May you be as happy as I
ardently wish and trust we you will have
no reason to complain. I am sure your
time is fully employed now and will therefore
trespass no longer than to assure you how
sincerely I am my dear Brother

Your ever affectionate
Sister and Friend
