My dearest Brother

I hope that you will allow me at the beginning of the year to recall myself to you, and to express the wishes I shall never cease forming for your health and happiness on every occasion. God grant my dearest Brother that you may enjoy more satisfaction this year than the last; and that you may have reason to look back on this with pleasure

Being sincerely interested in every thing that regards you it gives me pleasure to hear that your Daughter is much

improved. I trust that she will now prove
a comfort to you and exert herself to
deserve your Affection

I will now my dearest Brother take
up no more of your time except to
add the Kings Compliments. I expect
him this Evening and am most
impatient for his return as he has been
very ill at Vienna. Adieu and believe
me ever with the sincerest Affection

My dearest Brother

Your most Affectionate
Sister and Friend

Charlotte
