My dearest Brother

As I cannot have the pleasure to offer you in person my Compliments on this day I have recourse to my pen and beg that you will be convinced that none of your family make sincerer wishes for your health and happiness than myself. Every event which concerns you is interesting to me and I look forwards with delight to the moment which will make you a happy Grandfather.

I will not take up more of your time and remain with sincere Affection

My dearest Brother

Your most Affectionate

Sister and Friend
