$\frac{m}{5}$ past 10 P.M.

9.A.

Mr Townshend humbly presumed
to send the inclosed Letter from General
Conway, & upon the pressing necessity
mentioned in it has ventured to sum-
mon a meeting of Your Majesty's Ser-

vants

wants at once today, that as immediate
steps as possible may be taken to re-
medy the present, & prevent further
mischief from the mutinous spirit now
prevailing among the Troop.
