my dear brother

The moment that I could make use
of my pen is to write to you, As I flatter
my self that you will be anxious to
know how I do, I am realy very well
considering the short time I have lain
in as is all my family, my ward is
very anxe that I write & she talks so
much that I do not know what I write,
I hope soon to be able to write a longer
letter in which I shall inform you of
all that has pass'd here, I ever am
my dearest brother

your most dutiful
subject & sister

Auguste
