ment. Mr Townshend likewise hum-
bly submits your Majesty's orders on
the subject of summoning the Duke
of Rutland to the Cabinet.

M^r. Sec^y. Townshend has my thorough approbation for summoning a
Meeting of the Cabinet tomorrow to consider of the propriety of continuing
to discuss at a time when by the violence of faction the Powers who have
just signed Preliminary Articles will be backward in following the Example
The D. of Rutland must be summoned on this and all future Occasions.
