Note from the King
22^d Feby 1783.

5227

Mr. Sec^y Townshend, has my thorough approbation
for summoning a Meeting of the Cabinet tomorrow to
consider of the Propriety of continuing to disarm at a
time when by the Violence of faction the Powers
who have just signed Preliminary Articles will be
backward in following the Example. Mr. Pitt of
Kethland must be summoned on this and all future
Occasions

Windsor
