

Duke of Brunswick

52273

Belmont house 31st Decr: 1811

Sir,

I am sorry to be under the painful necessity of announcing to Your Royal Highness the death of my Brother, Duke George of Brunswick: he died at Glueksburg on the 16th of September of an illness hastened by a nervous contraction.

I lose no time, in apprizing Your Royal Highness, as being the Head of the Brunswick Family of an event interesting Your Royal Highness as such.

I have the honor to be with the most profound respect.

Sir

Your Royal Highness

His Royal Highness
The Prince Regent
et cetera

most obedient servant and
devoted cousin,
William Duke of Brunswick

1 Duke of Brunswick
31. Oct. 1811.
