Sir

The letter which I had the pleasure of receiving yesterday from you, tells me that you wish to hear an account of how I pass my time, I go often to the play which is really my greatest amusement, as ~~the~~ the French Comedians are very good, I have been several times in Sledges but I cannot say that I amuse my self much with those parties. We had last Thursday the third Masquerade, but there is not enough people here, that one can be long unknown. I am very much obliged to you for interesting your self so much in what regards me, and am Dear

Sin Your most
affectionate Sister

Caroline.
