Queen of Denmark

Dear Brother,

I hope You will not take it ill that I
trouble You so often with recommendations,
Mr Osborne who arrived here Yesterday
has desired me so much to mention him
to You, that I could ^{not} refuse giving him
this letter for You, I suppose You know
that he was in the Danish service,
and received his Dismission soon after the
late revolution, he wishes to be employ'd
in England, but has not mention'd to me
in what place, Sir Robert Keith knows him,
& I have no doubt, that he will likewise
interest for him. I thank You for having
promoted the Sea Officers. and dear Brother

Your affectionate
Sister
