I have taken particular care not to mention his Duchey, Prince Charles of Mecklenbourg has been here for a Day, but Prince Ernest was not well enough to accompany him. a report runs here as if the King of I was to go to Italy, I own I fear if it is true that they will make away with him, it is likewise  
said.

that P. Friedrich is going to be married to  
the P. of Schwerin, but she is so young  
that I suppose it will not be this Year  
My Sister has desired me to make her  
Duty to You, and I am dear Brother Your  
most

affectionate Sister,
