Dear Brother,

I have wrote to my Brother as You directed me to do. I hope You do not take it ill that I sent You the first answer for him. I have been at Montbéliant one night as You see. I like Hanover vastly, the envisions are very fine. I should have had great pleasure in seeing the fire Work, if it had not been for the accidents that happened there, to day I have had the agreeable news that my Son is quite well again who had not been well for some days. I am Dear Sir, Your most affectionate Sister

Caroline Matilda.

Dear Mother

I have not a very good idea of the
 business in a go. I hope you have not
 it all that time for the first answer
 for this. There have been no alterations in
 night or day. I like the
 country. The weather is very fine.
 I shall have had some business in evening
 the first time if it had not been for
 the accident that happened there to day
 I have had the accident even that day
 but quite well again. I hope you
 will be well for some time. I am
 in from next afternoon.
 Love
 Caroline Mathilda
