Sir

The change of the Year being an occasion for me of assuring
your Majesty of the sincere wishes I daily make for your Majesty's having
as long & happy a reign I cease this opportunity with pleasure, & beg you
Sir to be persuaded that these wishes I shall make as long as I live,
being ever reminded of the obligations I owe your Majesty, by the
present ease I enjoy through your Majesty's protection to my sons.
All I have left to desire Sir is the continuation of your goodness
towards my sons, & that you will believe me Sir when I assure you
I am with the greatest gratitude & utmost respect

Sir
your Majesty's

Hanov X^{bre} 18th
