Sire

Votre Majesté daignera agréer avec la Bonté  
ordinaire ces vœux que l'attachement le plus soumis  
et le respect le plus profond me dictent pour la  
Gloire de son Règne, le Succès de ses Armes et la  
Conservation de sa Personne Sacrée. Veuillez le Ciel les  
exaucer et remplir les souhaits ardents que je fais  
sans cesse pour le meilleur des Rois. Votre Protection  
Sire fait le bonheur de ma vie. Rien au monde n'égale  
le prix que j'y mets si ce n'est la soumission inviolable  
avec laquelle je fais gloire d'être

De Votre Majesté Sire

le très humble très obéissant  
et très soumis serviteur  
Guillaume B. H. Heese

Hanau  
ce 23<sup>e</sup> Decbre  
1781

1845

The first part of the report is a general survey of the  
 country, and is divided into three parts, the first of which  
 is a description of the country, the second of which is a  
 description of the people, and the third of which is a  
 description of the climate. The second part of the report  
 is a description of the country, and is divided into three  
 parts, the first of which is a description of the country,  
 the second of which is a description of the people, and  
 the third of which is a description of the climate. The  
 third part of the report is a description of the country,  
 and is divided into three parts, the first of which is a  
 description of the country, the second of which is a  
 description of the people, and the third of which is a  
 description of the climate.
