London. Febr. the  
5<sup>th</sup> 1737.

My Lord.

I have prevail'd on Lord Winshalsea to undertake a Journey to Petworth, to inform You of the State of my Affairs, and to ask in my name Your assistance, which I hope for, as I have had frequent obliging marks of Your Regards to me. Whatever L<sup>d</sup> Winshalsea says to You for me, I desire You would give entire Credit too, and believe me Your constant Friend,  
Frederick P.
