I was very glad to hear by a Letter  
from S<sup>r</sup> Charles Wyndham that you all  
got very well to London, & I desire you  
will accept of ten thousand Thanks for  
your Exceeding kind Visit, I wish your  
Affairs had allowed you to have staid  
longer.

I hear the writ for the County of  
Northumberland was moved the first Day  
the Parliament Met, & sent down to the  
Sheriff by a careful honest Messenger,  
who would not loiter nor lose time by  
the way, for all things go very well there,  
though the Earl of Tankerville makes a  
great Bustle, & leaves no Stone unturned

to

to gain his Point for his Son, but I hope  
all will End well in favour of M<sup>r</sup>. Allgood,  
Therefore I think the Sooner the Writ gets to the  
Sheriff the better. M<sup>r</sup>. Airey of Newcastle  
is one of Lord Osulston's agents & Managers  
whom I thought M<sup>r</sup>. Blacket would  
have Secured not to be against Us.

I am with true Constancy

Your most faithful Obe-
