Chifelen Friday morning

Dr George, thanke God Y^r are all well,
we are so too. How do Y^r advance in
the English History & In what Reign
are Y^r. & Why do'nt Y^r write me, what
Y^r have learnt with Ayscough and
Dunge. As Y^r and Edward are both
in Town, I thinke one might speake of
ev'ry bodys health, and th' other acquaint
me with the Progresses Y^r make with
Y^r Masters, but Edward has forgot
me, and has giv'n me no signs of life
this fortnight, which hurts me. For the
future I beg both may take it by Turn,
to tell me in writing once a Week, what Y^r

have read, it will imprint it better in
Y^r mind, and convince me that Y^r ^{own} ^{will}
apply, which will make me happy, as nothing
can do that more, than a prospect, to
say my children turn out an Honour to
me, and a Blessing to my Country.

Frederick L.

My Compliments to all Y^r Boys.
