Sir,

I feel myself greatly mortified
at being prevented paying my Duty to you
this evening, as I fully intended, but a very severe
return of the Asthma has kept me in bed
till this instant, when I am scarce able tho' much
better to come down stairs. Ld: Lincoln has
been with me with a letter from Sr J. Clinton,
I am sure your Majesty must be satisfied
with ^{his} very Officerlike conduct.

I have the honour
to remain your most Dutiful
Subject, and Subject,

Gloucester House

William Henry.
