Sir,

I cannot resist making
a Request to Your Majesty, which
your Goodness to Me on every occasion
gives Me reason to hope, you may
receive graciously, and which if
granted, I shall consider as the greatest
possible favor. It has ever been My anxious
wish to sit in the House of Peers with
My Son, and to see that Event take
place, would afford Me the highest satis-
faction. The moment of the General
Peace appears to Me the properest Time

To

to apply to Your Majesty for this
favor, and to grant Me a satisfaction
which other Fathers enjoy, through
Your Goodness.

I remain

Your Majesty's
Dutiful Subject and Brother

William Henry
