

B. Halifax will be at St. James  
by twelve tomorrow when I will receive  
the Address of the Lords through  
the White Stares.

As to the directions I shall think  
necessary to give for appointing my  
Generals I will also talk of that  
when I shall see You at that hour  
at St. James.

A Council must be order'd also after  
that hour

The Regiment at Chatham must  
instantly be order'd to advance; You  
will therefore intimate this in my  
name to the Secretary at War.

and I had this article. I  
never did get around about  
it until I got back to the  
States. I think it's been  
in my possession since then.  
I'll get it to you as soon  
as I can. I'll send it  
to you by express  
and you will receive it  
within a week or ten days.  
I hope you will like it.  
I am sending it to you  
with the best regards.
