My dear Mr. B. & Mrs. B.

I am sorry to say that  
 we have a most particular  
 bad day as we have been unlucky  
summed my sum but and  
my control & in an unhappy  
state because we have been  
disturbing all day with his  
unhappy company —  
 They all think this sum  
 like a poor man than they  
any thing they can see  
for some time before  
but at the very death is  
good that I was no reason  
why she should not go  
to London to be born —  
 Yours truly  
 George Mason
