My dear Brother

The King has been  
some while to day and much  
out of temper at times - but as  
he has hardly spoke since  
he has been in bed it is  
hoped he may get to sleep

I'm sorry your poor Lady  
with the same fever & bright  
she had a good return of  
fever yesterday evening which  
continued all night & great  
part of this day - but some  
medicin was used a good  
effect this evening which

makes I'm very glad she is  
rather less than with the  
last time - but I assure you  
my dear Brother I am  
not but feel very necessary  
at the length of this illness  
as to Augustus she certainly  
has got a cold & cough  
& suffers very much  
from this very same matter  
but you know better than  
she does I am very sorry  
in a strange sort of a way  
I am happy to find  
from I'm very glad

We left you much better  
today - Goodbye
