

BILL BOOK

1835

The image shows a book cover with a marbled paper pattern. The pattern consists of irregular, rounded shapes in shades of brown and tan, separated by thin, dark blue lines. The overall effect is a dense, organic, and somewhat cellular texture. A small, rectangular, cream-colored label is pasted onto the cover, centered horizontally and slightly above the vertical center. The label contains text in a serif font, identifying the book's manufacturer and his royal appointment.
